Task Force on Messiah's Future
Feedback Form

A Task Force on Messiah's Future made up of Carolyn Andersen, LeRoy Johnson, and David Dahle (chair) has been formed to assist the congregation in coming up with 3-5 priorities (or goals) for Messiah for the next 5 years. If you have not had the opportunity to participate in a Focus Group on Messiah's Future, please take some time to give us your written responses to the following questions.

1. What should be the 3-5 priorities (or goals) for Messiah in the next 5 years?

2. Based on these priorities (or goals), what strengths/characteristics should the Call Committee look for in the new pastor who is called to Messiah?

3. Please give any additional comments you would like to make.

PLEASE RETURN THIS FORM TO ONE OF THE TASK FORCE MEMBERS OR LEAVE IT IN THE BOX PROVIDED AT THE INFORMATION CENTRE
